Recommended Stewardship Plan

RECOMMENDED SERVICE CADENCE AND RATIONALE

RECOMMENDED APRISM RELATIONSHIP

- | | |
|---|---|
| ☐ Essential Care | ☐ Summit Home |
| ☐ Estate Stewardship | ☐ Private Client |
| ☐ Custom / Project-Based | |

FIRST 30 DAYS - RECOMMENDED WORK / VENDOR COORDINATION / DOCUMENTATION

SEASONAL / ANNUAL MAINTENANCE PRIORITIES

MONITORING / SENSOR / RISK-REDUCTION RECOMMENDATIONS

07 Next Steps

- 1 Review priority findings with owner
- 2 Obtain specialist/vendor estimates where recommended
- 3 Create or update digital property record
- 4 Build recurring maintenance calendar
- 5 Confirm access and communication protocol
- 6 Begin agreed stewardship cadence

CLIENT QUESTIONS / AGREED DECISIONS / FOLLOW-UP NOTES

This report documents observable conditions and stewardship recommendations at the time of assessment. It is not a substitute for a licensed home inspection, engineering analysis, environmental assessment, trade-specific diagnosis, code inspection, or appraisal. Where specialist expertise is appropriate, APRISM will recommend evaluation by a qualified provider.
